

EVENTS AND CEREMONIES AT KORINJI – INFORMATION FOR GUESTS

Thank you for your interest in visiting Korinji. We look forward to having you with us!
Please read the following information.

General Information

- Please arrive on time for the event. This means arriving at least 30 minutes prior, if not more. Check each event's calendar listing for start times.
- Persons with physical conditions preventing them from sitting on the floor may use a chair or stool during ceremonies and other activities. Please let us know beforehand if you require this.
- If served at an event, meals are simple, traditional vegetarian cuisine.
- Please note that romantic display and sexual activity are not appropriate on the Korinji grounds.
- Modest, respectful clothing is the norm (no shorts or tank tops please).
- In general, it will help to remember that Korinji is a monastery and therefore a place dedicated to Buddhist practice.

What Not to Bring

- Personal phones and other electronic or entertainment devices. Please leave these in your car or turned off while on the grounds. If you need to give an emergency contact number to someone, please give our office phone: (608) 415-6814.
- Cameras. Taking photographs at Korinji is not permitted without prior approval.
- Intoxicants or recreational drugs of any kind.
- Firearms or other weapons.

Traveling and Arriving

- The closest airport to Korinji is Dane County Airport in Madison, Wisconsin (MSN). This is about 50 miles away. We regret that we cannot provide transportation, so please determine the best way to arrive at Korinji on your own. Many students have taken an Uber from MSN. You may also wish to explore trains that arrive in Wisconsin Dells or Portage, WI.
- Korinji's parking lot address is S470 Hirst Road, Reedsburg, WI. This is the address for all guest arrivals. Google Maps or a similar service will give you accurate directions. When you arrive at that spot, you will not see buildings from the road; you will only see forest and a blue sign "S470". Next to the sign is a gravel drive opening up to a parking area. Please enter there and park your car in a manner that allows other vehicles to do the same. DO NOT park on the side of the road anywhere: you will be towed by the county.
- After parking, walk to the trail which begins at the back of the parking area. This will take you through the forest to the Korinji gate and up to the monastery buildings. Follow the signs there to the residence entrance.

Walk carefully, as the forest trail is sometimes uneven and can be slippery depending on conditions. If you arrive after dark you should use a flashlight.

- If your physical condition prevents you from walking short distances, please let us know before you arrive and we will arrange to meet you at our service entrance.

Regarding Contagious Diseases

I understand that retreat participation involves close contact with others, including people who may be elderly or medically vulnerable. I agree not to come to Korinji if I have tested positive for a contagious illness, have symptoms of illness, believe I may have been exposed to a contagious illness, or have not yet been cleared as non-contagious after illness or exposure.

Korinji may require testing, masking, isolation, delayed arrival, departure from the monastery, or other reasonable precautions related to contagious disease. I agree to monitor myself for signs of illness while at Korinji and to notify Korinji immediately if symptoms arise.

Donation

Korinji is a religious institution, not a for-profit business. No one will be turned away for financial reasons. Donation amounts are listed in each event's calendar listing, and should be submitted before the event begins **via PayPal to info@korinji.org**.
